

# DML MARKETPLACE IGNITORS

## DML -UGANDA

3<sup>rd</sup> Feb 2021

This is pastor Okango Geoffrey senior Pastor of Eagle's Nest Tororo Osia. He is smartly dressed on the right top and is the very first one from the left in the bottom picture. Since this pastor partnered with DML this is the story he has:

“Since I came to work with DML in June 2020, the teachings I received were good which propelled me to reach out to the business groups to share with them this truth of integrity in business. I came across a butcher who sold to me meat which was less than 1Kg and when I crosschecked by measuring with his neighbor's weighing scale it was off by 100gms. This butcher got embarrassed and pleaded with me not to expose him and he

**“DML trainings have impacted me as a pastor to influence communities outside the four walls of my church building.**

promised that he will never use the false weighing scale again. And he promised to fear God in his business”.

Secondly Pastor Okango tells a story of his encounter with a medical nurse of a certain health Unit where he happens to be the chairman. This nurse came to pastor's office to seek justification to forge receipts for the health unit. This pastor says that he introduced to the nurse the DML

concept of work as Worship and that her work is a service to the living God. He also encouraged her that the Lord will bless the little she gets in a righteous way and she will be able to do exploits for herself and her family. And importantly pastor challenged her to believe Jesus as Lord and savior and she did. Since then pastor has been monitoring her. And she is saved glory to God.

# WORK AS WORSHIP & TWO DAYS PASTORS'/LEADERS' WORSHOP

**These two workshops had a great impact on the participants, and they requested for more trainings.**

In the fourth quarter of 2020, we held a work as worship workshop with the theme:

*"It is possible to work with integrity"*

We had 55 members who happened to come from different businesses: Millers, Directors of organization, Heads of schools, Bankers, Civic Leaders, Shopkeepers and BodaBodas (Bike riders /drivers). The workshop was facilitated by

the Assistant Chief Administrative officer, and our counterpart DML coordinator from Kenya, Madam Caroline Sudi, both of whom did a commendable job. The participants expressed a desire to have more of such workshops.

Secondly, we held a two days' pastors' and leaders' training with 83 participants

from different denominations including Anglicans and Catholics, and others like community health workers. The meeting was so impactful that four pastors decided to this ministry in their church. Mentoring and advocacy was offered to those who were involved with piggery. In all we give God the glory.

## Prayer Requests for DML-UGANDA

- God to continue to be in charge over political turbulence in Uganda post-election
- Economic recovery in Uganda as a nation struggling with the aftereffects of Covid-19
- God to open the eyes of the "gate-keepers"/pastors to open doors for DML in their churches.

### Verse of encouragement for our marketplace ignitors:

His Lord said unto him well done, good and faithful servant; thou hast been faithful over a few things, I will make thee ruler over many things; enter thou into the joy of thy Lord. Mat 25:23
